## **GUYS & DOLLS**

Congratulations to all of the sixth form students who participated in the most recent School Musical Production Guys and Dolls. Cast, crew and band members alike, you put on a wonderful show and it was a great time to showcase just some of the excellent talent we have on offer here in Lincoln.

## **THANK -YOU!**

Thank you to all of those boarding students who helped out with the Mini Open Morning on Saturday 3rd February. Your outlook on the school is invaluable for prospective students and their parents.

## **SPORT**

The Rugby first XV won away in King's Lynn 27-5 to continue their good start to the new year. Congratulations also to the Girl's Netball team who secured an impressive 40-25 win over Wisbech Grammar School last Saturday.

**B**oarding Life: There has been an enjoyable relaxed atmosphere in Lincoln since last exeat with borders spending the majority of their evenings and weekends preoccupied with table tennis tournaments, pool, and a variety of board games, such as chess, monopoly and scrabble. It has been lovely seeing students across the two year groups engaging with one another and participating in activities that are perhaps the not so obvious choice in this new technological driven age we are now living.

To celebrate the Chinese New Year, the school catering team hosted their very own Chinese takeaway evening last Saturday, delivering numerous takeout boxes of delicious Chinese food to each of the school houses. Below, boarders can be seen tucking into their meals, which safe to say was enjoyed by all.

## **NEWS FROM ABROAD**

Former Wymondham College Student Amy Taylor seems to be settling into her new adventure in Texas, and is certainly enjoying the warmer, sunnier climate! Amy received a Golf scholarship to play for the 'Red Raiders' at Texas Tech University, alongside studying her Geography/ Geology degree. Amy's coach Jojo Roberts commented:

*"We are very excited to have Amy joining our golf team this spring. Amy is a great player who has quite a bit of international experience. She is someone that we expect to make a big impact on our program."*

Amy made her grand debut at the UCF Challenge tournament in Orlando on the 4-6 February. We wish you every success Amy!

## **CAMBRIDGE TRIP**

On Friday 26th January, a group of year 12s enjoyed a visit to the University of Cambridge, experiencing tours of several colleges which included: Gonville and Caius, Selwyn, Sidney Sussex and Pembroke. This experience allowed students to gain a better understanding of the application process and the study environment on offer.

## **SPEAKERS WANTED!**

Sixth Formers enjoy listening to many interesting speakers who enhance their learning during their time in Sixth Form, and we are always on the lookout for new angles.

If you, or anyone you know, might have an interesting presentation they'd be happy to impart, relevant to A-level students, please contact [sixth-form@wymondhamcollege.org](mailto:sixth-form@wymondhamcollege.org) or telephone 01953 609007 if you know anyone who might be interested in speaking.

*Just a reminder of Lincoln's phone number and email address; please report any student questions here.*
