# Welcome to our Societies

Congratulations to Year 12 on an excellent set of PR grades this week, particularly if your PPP or academic grades have earned you a Sixth Form Star – please collect from me after half term!

A huge thank you to all students who helped at last weekend's Open Morning. It was a hugely successful event and our visitors were so complementary about our fantastic students – I feel very proud of you all and you remind me why I love my job.

I hope you all have an enjoyable half term – make sure you complete your work but also have some time to relax so you feel refreshed and ready for the new half term ahead.

## Diversity Week

A huge congratulations to our students involved in planning and organising our events for Diversity Week last week! This week celebrated cultures and equality across the globe including The Americas, Africa and Europe and LGBT+ groups.

Our excellent school catering team worked very hard to prepare delicious lunches all week from each selected continents for day students and boarders to enjoy.

The diversity team, lead by Jamal Alli of the Head Teachers Council met weekly and discussed important issues surrounding diversity and planned events which took place during break and lunchtimes like board games, quizzes and of course snacks!

Congratulations to the team for successful week!

## Offsite Permissions

Please could we remind all parents and carers that it is College policy to provide permission for a student to leave the College premises within the school day. Day Students can obtain a Leave of Absence Form from the Lincoln reception desk for reasons like offsite medical appointments etc. For boarding students, parents and carers can email [lincoln@wymondhamcollege.org](mailto:lincoln@wymondhamcollege.org) for offsite permissions.

Please note that authorisation for absence is granted with the proviso that every effort is made to catch up on any work missed and no examinations will be missed during this time. This is entirely the responsibility of the student.

When considering each request for absence the following guidelines will be used:

1. The student's previous attendance record.
2. The age of the student.
3. The student's stage of education.
4. The time of year (exams periods).
5. The nature of the absence (exceptional circumstances).
