New Hall - Wymondham College

September Exeat 2019

Kitchen -

Over the course of the summer (and following two years of planning!) the house finally installed a new kitchen. Much to the students' delight the house now has a more open plan space for all to use and access easily. As well as being a great space for socialising in break times, the space has proven useful to students for study both in and out of prep time. As seen below, the new chalkboard has also been a popular installation.

Quiz Night -

Friday evening saw the start of this term's entertainment. A quiz night, led by the new GBAs, was enjoyed by around 25 students across three teams. After 8 rounds the winners were Monty, Koray, Helena and Semi, who will have VIP access to the movie night in house after exeat. With the weather being so nice many of the other students enjoyed the new sports equipment outside.

Big Weekender Event -

On Sunday 8th September we held our first Big Weekender of the year; we were joined by Graffiti Stars who taught some of the New Hall students some of the techniques used in graffiti art. It was a very productive session and the students created very artistic pieces that they were able to take away with them. We would like to take the time to thank Mr Hunter for organising the event and Graffiti Stars for joining us. Our next Big Weekender is Sunday 29th September and details will be released nearer the time.

Rugby -

On Friday 6th September England played host to France in the final warm up game before the World Cup in Japan. Eighty students and staff participated in a competition involving the timing of points being scored. Students were able to select a minute and if either team scored any points during that minute of the game prizes were up for grabs. Being a high scoring game of 37-0 many students (and many of the staff) claimed prizes.

MacMillan Coffee morning -

New Hall hosted Macmillan Coffee Morning a week early on Friday 20th September after school. We greatly appreciate all the support and are proud to say we raised just over one hundred pounds for the MacMillan charity.
