

peel weekly

edition #105 | November 2018

We continue to revamp the upstairs areas at the moment, with landing 3 transforming into a fairy wonderland of sorts! Information about the Formal is also attached to this week's issue, so day students please return forms ASAP!

We went Grapes Hill Gardens' last week and whilst there we did some gardening, and tidying up the place by raking the leaves. We also went litter picking and helping the locals by tidying up the landscape. It was a lot of fun learning about stuff I didn't know before and building up some confidence. I would definitely go back.
By Lucie Gillies, Year 8

The British Schools Karting Championship is back this year. After progressing all the way to a finals appearance last year, the College will be hoping for similar success this year. If you are taller than 5ft2in, and aged 13 or over on 1st January 2019, come and sign up on the office door; there will be a Grand Prix for racing places in the next few weeks!

Well done to all College students who took part in the Autumn Concert two weekends ago, but especially the Peel students of course, current and former (who are in the sixth form). Mr Browning said it was a fantastic show of student ability at the school. We recommend looking out for the Spring concert and Mair Cup later in the year too!

It was quite a fun experience going to the NUA for a trip as I had never really considered going to an arts university for a game design course. However, now that I have seen the courses and equipment they have to offer; It has really made me reevaluate my thoughts. By Ali Twort, Year 10

Sports students at the school have the chance to gain their Sports Leaders Level 1 Qualification.

Last week Mr Jones had the honour of handing out the certificates, signed by Baroness Tanni Grey-Thompson, to the successful recipients. Well done to Joseph Hawes, Katie Minnis, Daniel Madeira, Joel Felton, Sarah Andrews, Madison Ashby, James Bridges, Nat Felton, Harriet Marlee, Archie Moss and Lucie Peck.

Well done to Jamie Hickling, Sarah Sackey-Mensah, Olivia Sargeant, Alex Brown, Ellen Blake, Dalton Parker and Hannah Booth who all earned their Bronze awards this week. We really are flying as a house!

Peel now leads the number of Bronze awards given out to students, and hopefully we can get a few more awarded before the end of term assembly which is fast approaching...
