

We'd like to suggest that all students bring a water bottle to school, which can be refilled in the kitchen. It helps save on cup use and means that students can stay hydrated on the go during these hot summer days. Thank you.

peel weekly

edition #126 | June 2019

Prize winners at Speech Day in their last year, Tamara and Mia, now share their fondest memories and thoughts as they move on to new pastures after Year 11.

"Since arriving in Peel Hall less than 2 years ago, we have both come to learn a few key things that have helped us achieve what Wymondham College considers as 'Model Students'. Passion, patience, dedication and most importantly future motivation. These have been the key factors that have helped us get to where we are today.

- ◆ *Passion – The constant drive to succeed for yourself before others.*
- ◆ *Patience – The constant battle between giving up, enduring and accepting failure.*
- ◆ *Dedication – The constant perseverance and persistence to succeed.*

Finally, one thing that we both hold most importantly to ourselves is our future, and where we depict ourselves. This is our motivation.

Wymondham College has brought us through a roller-coaster of emotions, but one thing the School has taught us is the loving sense of community. In other words another family, and that family is Peel. We are truly going to miss the insanely tolerant staff and the somewhat amusing students. Forever and never to be forgotten. We are Peel. We are Peel students."

Now that the sunshine is back (for the most part) boarders are spending more time outside playing basketball and football. On Sunday we had a go at Dizzy Penalties. I don't think we had one goal in 2 hours of attempts. Well done to Ryan though (above) for the only attempt in which someone fell over the ball and kicked their own ankle!

Year 8 parents evening is on Wednesday night this week. Students are responsible for making their own appointments with teachers, and should have had the forms before half term so they could begin the process.

Please try and stick as close to the appointment times as possible, and if there is anyone you don't get the chance to see please email via tutors for comments.

Mr Brooks will also be available in house on Wednesday night for any more specific discussions.

Lots of amazing celebrations to be noted on Saturday at Speech Day. From individual subject winners, to year group community awards, to whole school recognition, Peel had it sewn up in every category. If we had more space, we'd list every winner and the prize they earned, but instead we can only list off the names. In no particular order, well done to...

Harriet M; Sophia P; Bella S; Alexander B; Phoebe H; Zainab A-O; Tamara O; Mia S-D; Ollie B; Mati D; Lochlan B-O; Madison A; Sarah S-M.

Have we mentioned the new school skirt recently? See here for details...

Our new skirt will be worn by all students choosing a skirt from September 2019. The skirt was chosen by the students and is available now at Birds of Dereham.

<https://www.birdsofdereham.com/shop/product/pleated-skirt-wymondham-college-28775/>

The skirt costs from £21 and should be bought to sit on the knee. Those families in receipt of Pupil Premium can use their allowance to purchase uniform from Birds – they will need to contact Mrs Becky Arnold (arnoldbe.staff@wymondhamcollege.org) in the first instance.
