ISSUE #151

PEEL PURCHASES

We love buying new things for the house, and over half term we managed to have a lovely new, super purple booth fitted in our kitchen. And here's some of our boarders enjoying toasties on the weekend around the booth too!

WEEK AHEAD

Plenty of goings on in the upcoming week, and lots to be aware of.

Thursday evening will play host to the Year 7 parent—teacher consultation evening. Students are responsible for making their own appointments with teachers, and have each been given a booking sheet to help them. On the evening, parents should arrive with students to the Peter Rout Maths building, sign in, and collect a map for which rooms teachers will be in. Refreshments will be available as ever provided by the PSA and volunteers.

There are also lots of World Book Day events this week, as well as the PSA Chilli and Quiz night on Friday. See their sections on the right for more info.

WORLD BOOK DAY

To celebrate World Book Day on Thursday 5th March, there will be a tasting café available each day in the Library this week, where you will be able to sample starters, main courses and desserts from a selection of books.

On Tuesday 3rd March, Kett's Books, an independent bookshop in Wymondham, will be joining us to hold a book sale. World Book Day vouchers will be available from the Library during the sale should you wish to use one to gain £1 off any available book. Please remember to bring your money with you on the day.

The week culminates with the ever popular dressing up event on Friday 6th March, when everyone can dress up as their favourite book character for the whole school day. Prizes will be available for the best costume amongst students as well as staff. Cinderella, Professor Dumbledore, Eeyore; please get your thinking caps on and start preparing your amazing costume!

PEEL POINTS

A strong showing for the first week back after half term, with 4 new Bronze Award winners and 1 new Silver Award winner.

Well done therefore to Immy G, Thomas B, Thomas S-A and Bella T for their Bronze achievement, and a super well done to Alex B for his Silver achievement. We have a further 3 students all within 5 points of earning silver awards too, so good luck for the week ahead.

Star of the week goes to Irene A-G though, for earning a phenomenal +50 points this week. Phwoar!

PSA - QUIZ NIGHT

The PSA continue to run lots of excellent fundraising and social events, as well as running the onsite uniform re-shop and helping out in general at all College events.

So come and have a fun evening in the warm with teams of up to 8 people at the annual 'Chilli & Quiz Night'. This year the PSA are running a licensed bar with all proceeds going to benefit the students. We would appreciate your support, as always!

Tickets available at www.jumblebee.co.uk/chilliquiz

Y10 CAREERS

Year 10 students will be off to the Norfolk Showground on Thursday morning, to sample the Norfolk Skills and Careers Festival. It presents a wonderful opportunity for all students to start thinking about their post-16 options, careers routes and potential work experience chances with industry experts and national and international employers.
