Want to know what a single punch can do?  
Watch this video from Ann Bartlett, who set up the One Punch Can Kill Campaign after her son aged 21, was punched in a pub and died as a result. She talks of her experience having to make the decision to switch off his life support machine after tests showed he was brain dead.

## DID YOU KNOW .....

- The most common crime for young people to be both a victim & suspect of is assault.
- You are more likely to be the suspect of an assault at aged 15.
- As a young person you are more likely to be sent to court for committing an assault than any other crime.
